An experience in the continuous hunting of alpine passes, many of these famous, others a little less, crossing some of the most beautiful and evocative natural contexts, recognized as World Heritage by UNESCO. An itinerary of a few days where the joy of become a daily satisfying need, that only partially, even if in a rather suggestive way, can be attenuated by the spectacular scenery. It's possible to extend the experience with a few more days to discover stunning landscapes: one day for one of the European road myths, the Stelvio Pass, and we suggest to include also the Gavia Pass, our favorite; another day for a panoramic loop of Lake Garda, one of the most popular tourist destinations, surrounded by overhanging mountains.
